Mission Statement

San Jacinto Valley Mortuary is committed to providing the families we serve with the highest level of service that only a family owned and operated mortuary can provide. It is also our intent to live up to our motto, "*Dignity with Economy*", where everyone receives the dignity that honors the life they have lived, and our families are provided with quality merchandise at affordable prices.

Thank you for allowing our family to help your family.

Federal and State agencies have determined that itemization of funeral and cremation services is essential for the benefit of the general public, to assure that consumers are not asked to pay for services they do not receive. In compliance with these rules, you will find a detailed itemization below. The consumer may choose the services that are appropriate for their needs.

To help simplify arrangements, we have developed package plans that the majority of our families choose from. These options will provide additional savings beyond our already reasonable prices. As these options include various types of services, no credit for deletions is possible. If you ask us to provide additional items, charges may apply.

Families who purchase a casket from our mortuary will be offered a package discount.

It will include the service and items traditionally selected on a funeral service. You will note by the options that follow, the savings in selecting the package discounts in comparison to the itemized prices. As the options include various types of services, no credit for deletions is possible. Package pricing begins on page 7.
